GIRLS ON FILM-II

**AN AWARD-WINNING COLLECTION OF ORIGINAL
LESBIAN-THEMED SHORT FILMS**

Girls on Film II is a groundbreaking compilation featuring the best lesbian-themed shorts made by members of POWER UP, an non-profit organization that promotes gay women in entertainment and media. These films have delighted audiences at festivals worldwide, including Sundance and Berlin. The DVD contains short films including "D.E.B.S.," "Give or Take an Inch" and "Fly Cherry," which were produced through POWER UP's film grant program.

D.E.B.S.

Sexy schoolgirls in tartan uniforms are recruited through the S.A.T. to form an elite paramilitary crime-fighting squad in this comedic spy spoof full of high-tech weaponry and steamy make-out scenes. Written and directed by Angela Robinson.

Stars Tammy Lynn Michaels (Popular) and Clare Kramer (Buffy the Vampire Slayer). Grand Prize Winner at Planet Out Film Festival, Best Short Film at Outfest LA Gay & Lesbian Film Festival, Best Short at New York Gay and Lesbian Film Festival, and many more.

Give or Take an Inch

This touching film shows the struggle that a lesbian and her gay siblings go through as they come to terms with their sister's plans to have a sex change. Directed by Lee Friedlander (The 10 Rules). Stars Amanda Bearse (Married with Children) and Michele Greene (LA LAW). Official selection of Planet Out Film Festival, Miami Gay/Lesbian Film Festival, London Gay & Lesbian Film Festival, Boston Women's Film Festival and many others.

Fly Cherry

An imaginative girl becomes friends with an outcast neighbor in this cute, yet empowering, film. Written by actress Michele Greene (LA LAW) and directed by Student Academy Winner (The Wormhole) Jessica Sharzer. Stars Sharon Lawrence (NYPD Blue) and Shirley Knight (Divine Secrets of the Ya-Ya Sisterhood). Official selection at Cleveland International Film Festival, International Short Film Festival, Oberhausen Germany Int'l Family Film Festival, Newport Beach Film Festival and Outfest.

Plus two bonus tracks: Behind the Scenes, the making of the POWER UP grant films and Gay Propaganda, a collaborative project in which classic movie scenes are remade with gay characters and context.
