Nude gymnasts perform in a unique, erotic sporting experience.

For centuries, millions of people around the world have watched in awe as gymnasts perform their athletic feats with amazing strength and elegance. Experience these remarkable performances first hand in this artful study of male motion and fluidity. Classically presented, this video production focuses on the male human form in the nude and the eloquence of skills refined over years by five magnificent Eastern European, world-ranked competitive athletes. *Gymnastikos: Power and Grace* is an inspiring gymnastic experience of sheer will, intensity and graceful beauty.
