SWEAT

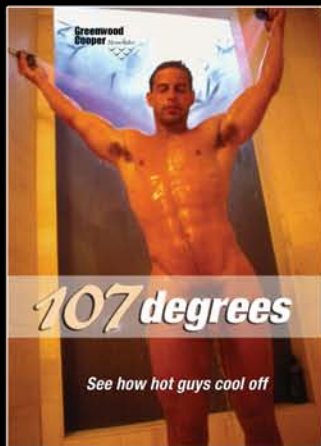

The Brits are known for their stiff upper lips and their class ruled society. But in a popular London sauna, all that class and culture are stripped away and replaced by a clean white towel. Follow Ross, the popular towel boy, on a tour of the sauna's facilities and its many patrons. The atmosphere of exposed muscles, steamy whirlpools, and hot showers get each of these 7 hot guys to succumb to their most basic instincts. In seven different sensual encounters, you will experience the delights awaiting you on your next trip to London!

107 DEGREES

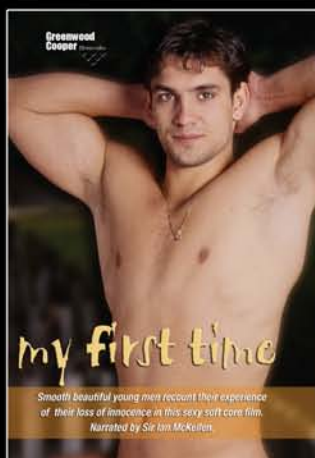

Your eyes are the cameras in this voyeuristic escape! Witness a day in the life of six really stunning men as they find clever and exciting ways to cool off from summer's heat along with a little fun and play along the way. From a cool shower that will leave you breathless, to a pool side romp, the camera guides you through every detail on these chiseled men.

MY FIRST TIME

Young men share their exhilaration, vulnerability, and pleasure of what makes the journey from innocence to experience so unforgettable. Discover their secrets as they speak about their experiences and how lessons learned helped to shape their future sexual identity. Sir Ian McKellen offers his own unique perspective on the issues facing an inexperienced gay man including safer sex and growing up gay. Once you've experienced the compelling stories from this film, you will indeed find it impossible to forget!
