open

Funny and realistic characters prove that hindsight is 20/20 in this trip backwards to the beginning of a well-intentioned "open" agreement. Bingo, betrayal, and sex toys – perfect together!

"fantastically written and directed... this is quality"

– DJ G (The G Spod)

unspoken

Unspoken is a coming of age story filled with desire, lust and betrayal about teenage friends whose intimate friendship changes when two boys enter the picture.

"A directing tour de force... a top notch short film"

– Academy Award™ winning director Mark Jonathan Harris

"Beautifully shot and achingly rendered."

– Screenwriter Jack Epps, Jr. (*Top Gun*, *Dick Tracy*)

open studio

A lesbian daughter's decision unearths a mother's rage at her own compromised life.

sugared peas

Two teenage almost-lovers meet years later in this bittersweet, heartbreaking and evocatively filmed story.

different

A playful teen comedy about a high school where gay is the norm and homecoming is just a few days away.

"Hilarious"

– DC Underground Film Festival

"An excellent film that will inspire other student filmmakers"

– George Marshall, Director of the Rhode Island International Film Festival
