'Dancing With the Stars' Hunk Gilles Marini Featured in Popular 2009 Calendars

Sex and the City stud **Gilles Marini**, who is currently dancing his way shirtlessly into America's hearts on ABC's wildly popular *Dancing With the Stars*, features prominently in two 2009 calendars - *Magnifique* published by 10%, and the *Bedtime Stories* 2009 wall calendar published by Provocateur.

Both calendars showcase multiple images of Hollywood's hottest new hunk in photographs taken by internationally acclaimed French photographer **Fred Goudon**.

Marini and Goudon first met in Paris, where the photographer introduced the budding superstar to the world of modeling.

Marini is favored by many to win the *Dancing With The Stars* reality show competition this week against **Shawn Johnson** and **Melissa Rycroft**. He and partner **Cheryl Burke** earned perfect marks for their performances last Monday.

The final performances of *Dancing With the Stars* will air Monday night at 8PM with a winner being announced tomorrow at 9PM on ABC.

Marini will next be seen as **Vanessa Redgrave**'s husband on FX's *Nip/Tuck*.

LOS ANGELES - 10 Percent, a manufacturer specializing in paper products for the gay and lesbian communities, has released two 2009 calendars featuring the photography of French photographer **Fred Goudon**.

The "Provocateur: Bedtime Stories" calendar offers a voyeuristic look inside the morning routines of male models, from casually lying in bed to soaking wet in the shower.

"Magnifique," a collection of sand, surf and skin, showcases international models shot at exclusive tropical resorts around the world.

Goudon, who specializes in men's beauty and body shots, has more than 20 years of experience. His work has been featured in magazines such as *MM*, *Sensitif*, *Voyage G*, *Entrevue*, *Refresh*, *Zero*, *Blue* and *DNA*. His photography also has been featured on the covers of French versions of gay erotica novels by **Edmund White**.
