## New Dustin Lance Black DVD Plus Girls' View 2 Reviewed

### Pedro

This movie celebrates the extraordinary life of Pedro Zamora, a young man who when he found out he was HIV positive at 17, made the courageous decision to dedicate the rest of his life to speaking out about his condition in an attempt to raise awareness about AIDS.

In 1994, Bunim/Murray Productions made the ground-

breaking decision to cast the openly gay, Cuban-American Zamora as a cast member on MTV's *The Real World: San Francisco*. Zamora's time in *The Real World* house on Lombard Street brought a face to the AIDS crisis.

President Bill Clinton, who provides an introduction on the DVD, credited Zamora with personalizing and humanizing those with the disease. When Zamora's health began to deteriorate in late 1994, it became front-page news nationwide, and his death at age 22 provoked a worldwide outpouring of grief.

This powerful new drama is scripted by Dustin Lance Black, the Academy Award-winning screenwriter of *MILK*. Pedro stars Alex Loynaz as Zamora. Available June 30 at [www.wolfvideo.com](http://www.wolfvideo.com).

### Girls' View 2

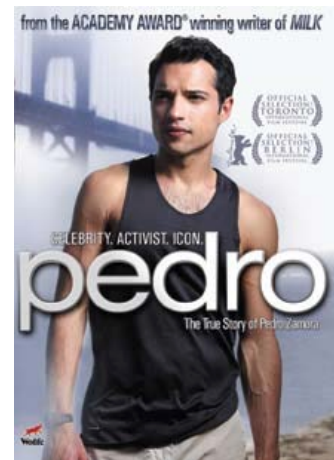

This DVD features more award-winning, lesbian-themed

short films, five movies in all. Isolation, self-acceptance, trust, friendship, self-discovery, love and relationships are just a few of the themes in this sexy, heartwarming, sad and even chilling collection.

The collection begins with *The Rules*, Laura Black's seductive story about a lonely housewife who gets in over her head in a phone sex game. That film is followed by *Dyke!*, Kelly Carpenter's mini-movie about a relationship between two schoolgirls.

One of *Curve Magazine's* Best Women's Shorts, *Backstroke* is about two women who end up in the same psychiatric ward a month after the end of their relationship, while *Licorice* deals with a friendship that develops between a heart-broken fiancée and a lost teenage girl.

The collection ends with Georgia Versluys' film *Snap*, about a beautiful girl whose life is turned upside down when a chance meeting sends her spinning into inner turmoil. Available June 16 at [www.10percent.com](http://www.10percent.com).
